Entering a New Time... Jesus Style!

Compendium of all five Communion passages: When Jesus knew that His hour had come and supper had ended He arose, laid aside His garments and girded Himself with a towel. Then He poured water into a basin and began to wash the disciples feet and wipe them with the towel wrapped around His waist. When He came to Peter, Peter said, 'Lord, you will never wash my feet.' Jesus answered, 'If I don't wash your feet then you have no part with Me.' Simon replied, 'then wash my hands and head too!' Jesus explained, 'He that is washed only needs to have his feet washed because He is cleaned already. After He washed their feet He spoke to them from His heart regarding His servant ministry to them... 'never lose sight of what I have done for you, it's the example of what I want you to do for others! You will be happy if you know this and do it!' It was soon after this that Judas left to betray Him. It was then He took bread, blessed it, broke it and gave it to them saying, 'take, eat, this is My body which is given for you; do this in remembrance of Me.' Then He took the cup, gave thanks and gave it to them and they all drank of it. And He said to them, 'drink it, for this is My blood of the new testament which is shed for many for the remission of sins... do this, as often as you drink it, do it in remembrance of Me.'

Jesus ended an era and began a new one with "remembrances!"

1. Remember, you need to 'wash' your 'contact' with the world!
He that is clean already only has need of washing off the dust from walking on the "earth."
2. Remember the ministry you have been called to follow!
I have given you the example to follow!
3. Remember the cost, promises and responsibilities of My Covenant w/you!
Do not treat lightly what cost so much to provide. Receive the promises but don't focus on them alone. Don't forget the responsibility you have to follow Me in My mission to the world.
